Press Release

Representative Office Established in Singapore

Asahi Broadcasting Corporation (ABC) announces the establishment of a representative office in Singapore.

ABC has been selling TV programs in twelve countries and regions as well as planning and producing the programs to attract foreign tourists to Japan. In order to expand above-mentioned existing overseas business and explore new businesses, we establish a representative office in Singapore, a hub for economy and information in Asia, and this office will conduct field surveys and collect information mainly about the market in Southeast Asia and enhance new business networks there.
